ICANN Registrant Rights and Responsibilities

As a space affiliate, XENO PORTFOLIO is limited by various commitments under the 2012 Registrar Accreditation Agreement (RAA) among ICANN and its licensed recorders.

XENO PORTFOLIO Responsible Disclosure Policy Information security is a first concern for XENO PORTFOLIO, and XENO PORTFOLIO accepts that working with gifted security specialists can recognize shortcomings in any innovation. In the event that you accept you've tracked down a security weakness in XENO PORTFOLIO's administration, kindly tell us; we will work with you to determine the issue instantly.
